DOCKET NO. E-01345A-16-0123

**STAFF'S REQUEST FOR EXTENSION OF
FILING DEADLINE**

Based on the procedural order dated July 22, 2016, Staff's direct testimony filing is scheduled for December 21, 2016. Owing to the number of Staff analysts assigned to evaluate this application and prepare testimony who are also involved in the Commission's consideration of the Value of Solar issue, Staff is unlikely to be able to complete its direct testimony by December 21. As such, Staff requests an extension of the filing deadline for its direct testimony to December 28, 2016. Staff would not oppose a similar extension of the filing deadline for all parties scheduled to file testimony on December 21.

Staff has contacted APS and RUCO regarding Staff's request. RUCO has indicated that it supports Staff's request as well as a like extension to RUCO's testimony filing date. It is Staff's understanding that APS does not oppose an extension of the December 21 direct testimony filing date.

Owing to the timing of the request and the number of parties to this proceeding that are also involved in the same Open Meeting matter, Staff has not had the opportunity to hear back from all parties regarding Staff's request at the time of this filing. Staff has emailed this request to all parties

1 for whom Staff has an email contact. However, as APS, the party most directly impacted by granting
2 Staff's request, does not oppose the limited extension of only the current filing date, Staff believes
3 that the grant of the request is appropriate under the circumstances.

4 RESPECTFULLY SUBMITTED this 19th day of December 2016.
